Please tick the box below to indicate you have read all the information.

Any errors made on this form are the sole responsibility of the purchaser. We regret we offer **NO REFUNDS** and **CANCELLED WORK WILL HAVE TO BE PAID FOR.**

Important Information

Please read all the information on this form before signing it.

Please take all wall measurements at the height you wish to have the poles positioned.

All measurements should be given in millimetres.

Bay window poles are only manufactured to the diameters shown in the Byron & Byron catalogue.

Consider the diameter and suitability of your choice when choosing your curtains. Load bearing data is available on request.

When measuring your bay windows, be as accurate as you can. Use a metal tape measure and ensure you have assistance.

Remember when measuring your bays: measure twice, write down once. We cannot replace any incorrectly measured poles for bay windows.

Please complete all relevant sections of this form and fax/email back.

You can contact Byron & Byron during office hours on 020 8344 7979.

POSITION OF FINIALS

Please indicate which position you prefer.

Please tick appropriate box.

A B

All poles are supported on brackets that extend 100mm from the wall.

If you require a different position for your finials please indicate in the box on the left and if required make any notes below.
